

# Second Opinion Forum: Reshape Family-Centric Communication to Shape a Progressive Labor Market

Welcome to the inaugural Second Opinion Forum!

This meeting of international attendees aims to shape innovative communication tools and protocols, specifically addressing the challenges faced by modern families separate due to work in dealing with health and aging issues.

**Date and Time:** December 11, 2023, from 2 to 5 p.m.

**Location:** Hofburg Palace, Heldenplatz 1, Vienna

**Organizer:** Second Opinion Ltd.

## Forum Focus

1. **Modern Health and Active Aging:** Explore the impact of business migrations on health and aging, emphasizing the importance of effective communication.

2. **Comparative Systems Analysis:** Discuss the multidisciplinary, interdisciplinary, and transdisciplinary application in health and social systems, considering West-East and North-South relations.

3. **OpinioNet Network:** Gain insight into our innovative communication concept designed to support families living apart due to work.

4. **Benefits for Families:** Discover the advantages of the OpinioNet network in supporting families facing the complexities of distance.

## What Participants Gain

1. **Evaluate OpinioNet:** Participants can assess the value of OpinioNet, contributing to its refinement.

2. **Business Application:** Explore the practical application of transdisciplinary communication in addressing the needs of employees, clients, patients, and users living away from their families.

3. **Empowerment Options:** Learn how OpinioNet can empower employers, service providers, and local authorities in supporting families separated by work.

4. **Board Involvement:** Get a chance to be part of the Counseling and Supervisory Board, influencing the forums and networks future direction.

## Who Will Benefit

1. **Embassies and Trade Missions:** Fulfill dual needs—supporting their citizens and companies abroad and addressing the unique challenges of their families back home.

2. **Companies with Workers from afar:** Discover tools and techniques to assist employees coming from afar.

3. **Authorities Representatives:** Delve into health and social aspects of living and housing, focusing on families separated by work.

4. **Health and Social Institutions:** Explore how OpinioNet can enhance the care provided by institutions, surgeries, pharmacies, and related entities.

5. **Professional Chambers and Associations:** Benefit from the forum's insights relevant to various professions intertwined with the destinies of distant families.

## Organizational Details

**Format and Language:** Introductory presentations. Interactions through discussions, voting, and concluding to guide further work. All on English.
